**Sarah Mogelson (center) spent time in Israel with BBYO's Passport to Israel program.**

B'nai B'rith Youth Organization (BBYO) senior **Sarah Mogelson** recently visited Israel with BBYO's Passport to Israel Program (P2I).

"Since I was little, I have always heard about how amazing Israel is," Mogelson wrote in an essay. "This summer I finally had the chance to experience it myself..."

"Nothing can even compare to Israel," she continued. "It is a place that cannot be compared to anywhere else in the world. I had the opportunity to experience so many things that I have never done before such as rappelling down a mountain, kayaking in the Jordan River, climbing Masada, and so much more. The best part of the whole trip was the sense that I actually belonged in Israel, that I wasn't just a tourist, but that I was a part of the State."

Mogelson is the daughter of **Cathy and Rick Mogelson**, of Golden Valley.
